

# Capability Statement

## Company Overview:

RizeUp Technology Training is a leading staffing solutions provider specializing in delivering top-tier talent across various industries. Our expertise spans temporary, temp-to-perm, and direct hire placements, ensuring businesses can swiftly meet their workforce demands with highly skilled professionals. We are committed to matching the right people with the right roles, enabling organizations to thrive while offering meaningful employment opportunities.

## Core Competencies:

- **Talent Acquisition & Recruitment:** Comprehensive candidate sourcing, screening, and placement services tailored to meet specific business needs.
- **Temporary & Contract Staffing:** Providing flexible workforce solutions for short-term, long-term, and project-based assignments.
- **Direct Hire & Permanent Placement:** Matching top talent with permanent positions to help businesses build strong, dedicated teams.
- **On-Site Workforce Management:** Efficient management and oversight of contingent workforce operations at client locations.
- **Diversity & Inclusion Initiatives:** Supporting clients in building diverse and inclusive teams through targeted recruitment strategies.

## Differentiators:

- **Industry Expertise:** In-depth knowledge of multiple sectors including IT, healthcare, finance, administrative, and industrial staffing.
- **Customized Solutions:** Tailored staffing strategies designed to align with your business goals and project timelines.
- **Proven Track Record:** Successful placements and long-standing client relationships built on trust, responsiveness, and reliability.
- **Cutting-Edge Technology:** Leveraging advanced recruitment tools and platforms to streamline the hiring process and ensure quality matches.
- **Compliance & Risk Management:** Strict adherence to employment regulations, minimizing risk and ensuring legal compliance.

## Past Performance:

- Department of Environment Energy
- Department of Aging
